Dear Ben:

Thank you for the material which you recently sent us concerning the above named individual. This is most helpful to us and certainly will enable us to start a file which will lead to refusal of future registration attempts.

We would like to have the outcome of the legal action when this takes place. Please keep us informed as a trial and conviction may occur. We would also like the sentencing that is imposed. This would then complete our file and give us all the information necessary for refusing registration in the future.

Sincerely,

Paul Ernst, Director
